 PUBLIC SERVICE

Dear Mr. Terreni;

The Purpose of this letter is to respond to the E-Mail I received from the PSC web site on July 12 2008. The E-Mail was a copy of the letter sent to you (PSC) and published on your web site by ORS concerning the Bond for Mark Wrigley, Wyboo Plantation Utilities, Inc.

In the letter from ORS, it states that Wyboo has failed to comply with the bond requirements. Wyboo Plantation Utilities, Inc has been in contact with Elizabeth Ford and Willie Morgan about this matter for some time now. Wyboo Plantation Utilities, Inc has informed ORS that our accountant is now finalizing the company's financial statement and the company is actively seeking someone with whom we can secure the required bond.

If the Commission would consider giving Wyboo Plantation Utilities, Inc an extension longer then thirty (30) days to complete this task. Wyboo Plantation Utilities, Inc is sure that this company will be able to fulfill the bonding requirements of order # 2007-627

We would welcome the chance to meet with the Commission to try and explain these complaints because Wyboo Plantation Utilities, Inc does not presently have an Attorney and cannot afford one. We are requesting the Commission, if they would kindly consider, not revoking our certificate of public convenience and necessity.

Please feel free to contact us should you need additional information at (803) 774-2010. Thanks for your time into this matter.

Sincerely,

Mark S. Wrigley
